Jersey Cash 5 Jackpot Crosses $1 Million Mark - Again

Surpasses $1 Million Jackpot Value Three Times in Under 30 Days

TRENTON (Sept. 2, 2020) – For the third time in under 30 days, the Jersey Cash 5 jackpot has surpassed the seven-figure milestone, offering players a chance to win more than $1,000,000 with just a $1 bet. The drawing for the all-cash jackpot of $1 million happens tonight at 10:57 pm, so be sure to get your tickets.

With daily drawings and jackpots starting at $100,000, seeing jackpots top the million-dollar milestone can generate a lot of excitement among the game's loyal players. For just a dollar, players are encouraged to pick their lucky numbers (or go with a Quick Pick option!) and hope for the five-out-of-five match tonight.

Jersey Cash 5, which held its first drawing in 1992, has already proven to be a vital component of the Lottery's offerings to support our State.
