$13,996 Quick Draw Ticket Sold in Morris County

TRENTON (Oct. 24, 2024) – A Quick Draw Progressive ticket was drawn Wednesday, Oct. 23, in Morris County, winning **$13,996** for 10% of the progressive jackpot.

Quick Draw Progressive tickets are sold at any retailer and offer a fast way for players to see if their ticket is a winner. The winning ticket was sold at **Wawa #8429, 767 Route 15 South, in Lake Hopatcong.**

Heading into the weekend, the estimated jackpot was at more than $126,000.

How does the Quick Draw Progressive Jackpot work?

This rolling jackpot is available to every single player at no additional cost. A set of nine "Your Jackpot Numbers" (01-80) are randomly selected and printed at the bottom of every Quick Draw ticket. If all nine of the player's numbers are selected in any of the Quick Draw drawings that the ticket is eligible for, the ticket wins a portion of the Progressive Jackpot based on the amount wagered per draw.

A $1 wager per draw ticket wins 10% of the jackpot, a $2 wager per draw ticket wins 20% of the jackpot, and so on. Any ticket with $10 wager per draw or higher will be eligible to receive 100% of the jackpot.
