The Grand Prize drawing will be a two-step drawing: First, a drawing will be conducted using a certified draw machine to assign a random number, between one (1) and up to twenty (20), to the Verified Promotion Prize Winners who are present at the event (or who are represented by a proxy). A second drawing using the certified draw machine will be used to randomly select from the (up to) twenty (20) balls representing the Verified Promotion Prize Winners such that the first ball selected will be the Grand Prize Winner and the second ball selected will be the Runner-up. Once the Grand Prize drawing is complete, all Verified Promotion Prize Winners (or their proxies if applicable) present at the Grand Prize Event in compliance with these Official Rules will be assigned their unique number as drawn in the first drawing by the Lottery, its agents, representatives and/or designees, that is written on a T-Shirt that the Verified Promotion Prize Winners (or their proxy if applicable) must wear during the entirety of the Grand Prize Event.
